

MARCH IS AUTOIMMUNE DISEASE AWARENESS MONTH

WE ONE 2014

Wear your PJ's to work, or play, support a great cause and enter to win some great prizes!

- Autoimmune Disease/Disorders attacks 1 in 5 people.
- 75% of those are females.
- There is no cure, and treatment is often toxic.
- Age is not a factor - from infants to kids, to adults to the elderly, nobody is immune from Autoimmune Disease.

WEAR YOUR PJ'S

FRIDAY, FEB. 28

FUNDRAISING

FEB 28 - MARCH 28

Participate by wearing your PJ's on February 28th, or by fundraising (with a twist) through March (Autoimmune Disease Awareness Month) and enter to *win prizes worth over \$10,000*. Share it with us on Twitter or Facebook *#weonePJday* for PJ Day or *#weone* for fundraising and automatically enter to win.

See website for more information.

Autoimmune Disease attacks 1 in 5 people but affects us all !!!
